

NextGen Leadership HUB 2026

November 15, 2025 – March 16, 2026

The NexGen Leadership Hub 2026 is a transformative educational program designed for young leaders aged 13-17 who want to deepen their understanding of international relations, global governance, and leadership. By enrolling in this program, students receive a unique opportunity to engage with university-level coursework, gaining essential skills and knowledge that will set them apart in their future academic and professional endeavors.

Why This Program Matters:

In today's globalized world, effective leadership requires not only knowledge but also skills in communication, negotiation, and critical analysis. Through the NexGen Leadership Hub, students gain practical experience in these areas while exploring the role of the United Nations and pressing global issues, such as climate change, human rights, and global health.

This course goes beyond traditional education, providing students with a comprehensive toolkit to navigate complex international challenges and become well-rounded, informed global citizens.

Program Benefits:

University-Level Coursework: While still in school, students gain early exposure to university-level concepts and materials, allowing them to develop advanced skills in diplomacy, research, and public speaking.

Earn 4 Certificates in 1 Program: Successful completion of the program will earn you:

1. A Leadership Certificate from the Powerful Management, Leadership & Technology Center
2. A Model United Nations (MUN) Participation Certificate, recognizing your hands-on experience in international diplomacy.

3. Each delegate will receive two Certificates of Participation for attending the conferences held during the program. All delegates will be officially presented by PMLT as speakers at the conferences organized by the Powerful Management, Leadership & Technology Center (PMLT).

Course Highlights:

Global Issues

- Dive into critical topics like climate change, human rights and Women's Rights
- Understand the Sustainable Development Goals (SDGs) and their impact on the world.

Research & Critical Analysis

- Learn to find and evaluate reliable sources.
- Conduct policy research on international issues.

Analyzing UN Documents & Country Positions

- Review UN resolutions, treaties, and country position papers.
- Identify biases and diverse perspectives in diplomacy.

Argumentation & Negotiation Skills

- Build strong, clear arguments and learn the art of negotiation.
- Understand the language of diplomacy and master negotiation dynamics.

Public Speaking

- Gain confidence in delivering impactful speeches in global forums.
- Develop techniques for clear and persuasive communication.

Model UN Simulation

- Engage in a full Model UN simulation, representing countries and committees to solve global challenges.

Embark on a journey to broaden your understanding of the world and build skills for a future in international leadership.
