MAIN EVENT

NHSMUN 2024

Conference has established itself as the premier conference on the high school Model UN circuit. NHSMUN prides itself on having the largest and most diverse attendee base in the world, and the conference has hosted participants from more than 130 countries throughout its history. NHSMUN is known for its talented, prestigious attendees, world-class staff, proven substantive excellence, and accurate, engaging committee simulations. The conference exposes students to high-profile, relevant United Nations figures, including a visit to the ambassadors or representatives of the Permanent Mission of the countries they are representing.

During recent conferences, NHSMUN has welcomed speakers ranging from UN, government, and international affairs experts

- 1 US-UN Ambassadors Susan Rice, Samantha Power, Jonathan Cohen, Christopher Lu, UN Deputy Secretary-General Amina Mohammed, President of the UN General Assembly Csaba Kőrösi, UN Development Programme Administrator Achim Steiner
- 2 US Secretary of State John Kerry, OAS Secretary General Luis Almagro
- 3 Special Adviser to the UN Secretary-General Jeffrey Sachs, Second Gentleman Doug Emhoff
- 4 US Senator Sheldon Whitehouse, Council on Foreign Relations President Richard Haass.
- 5 NYC Commissioner Penny Abeywardena, Secretary of Defense Chuck Hagel, Ret. General Stanley McChrystal, and Ret. General David
- 6 Petraeus to UN humanitarian programme directors or celebrity advocates like President & CEO of the U.S. Fund for UNICEF Caryl Stern, Mandy Patinkin, Joe Manganiello, and Demi Lovato

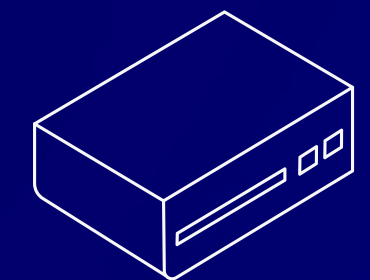

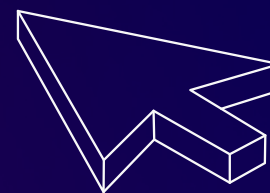

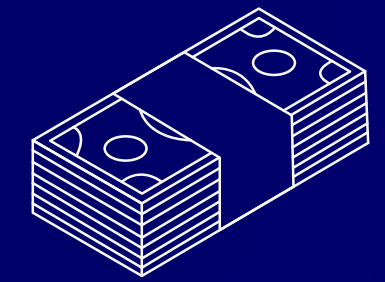

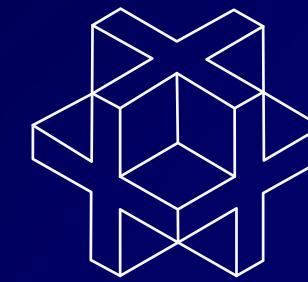

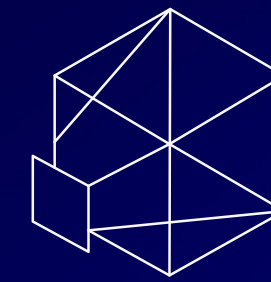

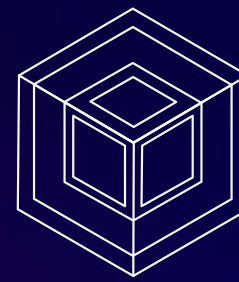

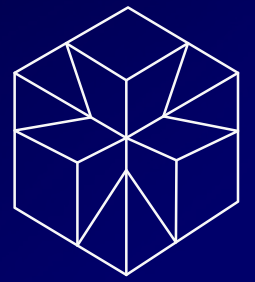

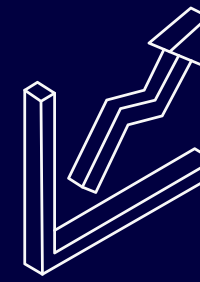

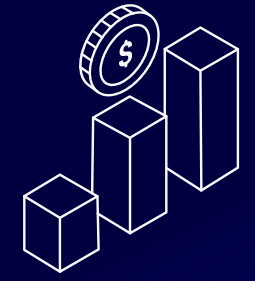

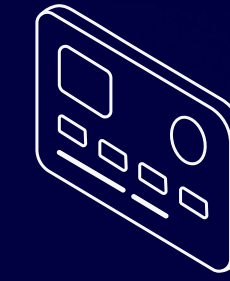

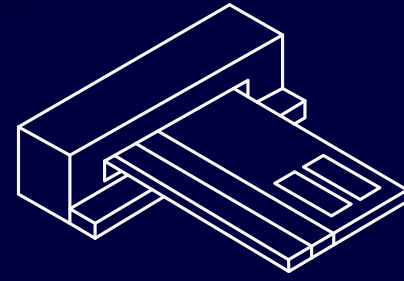

NextGen Leadership Hub

Powerful Management, Leadership & Technology Center

The goal of NHSMUN is to provide a professional and engaging conference, creating an atmosphere most conducive to learning. By utilizing engaging educational tools and resources in and out of our committee sessions, NHSMUN is committed to IMUNA's mission of "education through simulation." NHSMUN strives to enhance delegates' learning experiences in an impactful and enjoyable way through its conference programming. Aside from top-quality United Nations body simulations, as part of its focus on the experiential learning experience, NHSMUN offers a robust series of educational programming to expand the delegate and faculty experience, ranging from engaging guest speakers, mission visits, and skill-building workshops, all of which use the United Nations Sustainable Development Goals (SDGs) as a lens.

NHSMUN 2024

We take pride in the high level of debate in our committees, which provide students with an unparalleled opportunity to experience the theory and practice of international relations firsthand. Subject to availability of space at the UN, students attend opening or closing ceremonies in the UN General Assembly chamber, where actual diplomats convene every year.
